Civil Action No. 97-3496 (SDW)

Dear Magistrate Judge Arleo:

At a case management conference, you previously indicated that after default was entered against the *pro se* corporate Defendants that had failed to obtain counsel, I should submit Plaintiff's motion for default judgment to Your Honor's attention and you would handle it by Report and Recommendation.

Therefore, enclosed please find a courtesy copy of the following documents that have been electronically filed in the above-referenced action:

1. Notice of Motion for Default Judgment Against Certain Pro Se Defaulting Defendants;
2. Declaration of Robert A. Magnanini in Support of Request for Clerk's Entry of Default Against Certain Pro Se Defaulting Defendants, and exhibits thereto;
3. Proposed for Default Judgment Against Certain Pro Se Defaulting Defendants;
